## **54th Street Reconstruction**

Dear Resident:

54th Street is scheduled to close just east of Park Place and just west of Minnehaha Boulevard next week and will remain closed for approximately 16 weeks to allow for removal and reconstruction of the bridge. The main detour will be Wooddale Avenue to 50th Street to Halifax Avenue to 51st Street to France Avenue. Site safety will be extremely important during bridge construction. Do not attempt to cross safety fence or access the creek while the bridge is under construction.

Work on 54th Street itself has not been scheduled yet. We will notify you in advance of when this work will begin.
